

## **Material Check Guidelines (for FIS Point Race Participants)**

### **1. Roller Ski Deposit Schedule**

[August 10 (Sun) - Classical Race]

- Please deposit your roller skis with the staff on August 9 (Sat) between:

- 11:00 – 13:00
- 14:00 – 15:00

[August 11 (Mon) - Free Technique Race]

- Please deposit your roller skis with the staff on August 10 (Sun) after each event until 13:00

- After the Classical Race until 13:00

\* Deposit Location: Near the start house (in the designated container unit)

### **2. Usage After Material Check**

You may use your equipment for warm-up after the material check.

However, you must return to the check area immediately after your warm-up.

### **3. Pre-Start Re-check**

Your equipment will be re-checked before the start.

Any violation will result in disqualification from the FIS point race.

### **4. For National Roller Ski Championship Participants**

There are no restrictions on the type of roller skis.

However, the equipment will be checked for loose screws or similar issues before the start.

### **Additional Notes**

- If you plan to share roller skis with others, please inform the staff at the material check reception.
- If there is any issue with the equipment, it will be resolved in consultation with the Technical Delegate (TD).
