

Material Check Information

(For FIS Point Race Participants)

1. Roller Ski Deposit

[For the Classical Race on August 10 (Mon)]

Please deposit your roller skis with the staff between 11:00 and 13:00 on August 9 (Sun).

[For the Free Technique Race on August 11 (Tue)]

After each event on August 10 (Mon) until 13:00.

Please deposit your roller skis with the staff after the Classical race and before 13:00.

Deposit Location: Temporary building near the Start House.

2. You may use the skis for warm-up after the material check. After warming up, please return them to the check area.

3. The equipment will be checked again before the start. If any violation is found, the participant will lose eligibility to compete in the FIS Point Race.

4. There are no restrictions on roller skis for participants in the National Roller Ski Championship; however, screws and other safety points will be checked before the start.

If roller skis are shared among participants, please inform us during material check reception.

If there are any issues with the equipment, a decision will be made in consultation with the TD (Technical Delegate).
